THE GREENHEAD
HOTEL

WE ARE HIRING

SOUS CHEF

We are located directly on the Hadrians wall path & pennine way in rural Northumberland, yet we have easy access for staff due to only being 500 yards off the A69. We have 7 bedrooms, a cosy bar area with log burners, a modern restaurant and a large function room where we host weddings and events. Front and back of house we are a relatively young team, all passionate about the hospitality industry and eager to learn from one another.

We are recruiting for a sous chef to join our kitchen team. The successful candidate will work alongside Headchef, Dan and will be responsible for ensuring the kitchen runs smoothly in his absence. We operate a 4 day working week, therefore, you will be required to run the kitchen at least 3 days per week. Our menus change seasonally and Dan's menu always features the finest seasonal, local produce he can find.

Although candidates do not have to have sous chef experience to apply we do require candidates to have a good amount of professional kitchen experience under their belt.
